

TTI, Inc. – Never Short on Solutions

## **TTI Europe awarded with “2014 Passives Distributor of the Year” award from Vishay Intertechnology**

July 2015 – TTI, Inc., a world leading specialist distributor of passive, connector, electromechanical and discrete components, has been named “2014 Passives Distributor of the Year” by Vishay Intertechnology. The prestigious award recognizes outstanding performance using the criteria of sales growth, demand creation, field operation and inventory management throughout the year.

On presenting the award, Philippe Masson, Senior Director Sales Distribution Europe at Vishay commented: “We are very proud to present TTI Europe with our “2014 Passives Distributor of the Year” award for recording a strong sales growth for our product line in 2014 and also for performing very well in all the other categories judged. We congratulate the whole team at TTI for their outstanding performance and want to say thank you for your great service and support. We are looking forward to a very fruitful business partnership in 2015.”

“We really appreciate this award and I am very proud and honored to accept it on behalf of the whole TTI Europe team,” stated Felix Corbett, Direct Supplier Marketing Passives & Discretes, Europe at TTI Inc., Europe. “Vishay is a highly valued partner and we are glad that our support for their products has resulted in such great success. We are looking forward to much continued success in 2015 and in the years to come,” he added.

### **About TTI, Inc.**

TTI, Inc., a Berkshire Hathaway company, is a world leading specialist distributor of passive, connector, electromechanical and discrete components. TTI’s philosophy is “Lead by Design”, and the company differentiates itself by focusing on people, parts and process. TTI in Europe strives to be the distributor of choice for customers and suppliers alike by introducing new product technologies and by stocking broad and deep inventory across its franchise base. TTI’s sophisticated inventory management system ensures the ability to
