

TTI, Inc. – Never Short on Solutions

TTI, Inc., named European Distributor of the Year by KEMET

Leading capacitor manufacturer honours TTI for broad portfolio support and expanded customer base

October 2009 - TTI, Inc., the global distributor of passive, interconnect, relay, switch and discrete components, has been named European Distributor of the Year FY09 by KEMET.

Commented Graeme Dorkings, Director Distribution Sales EMEA: "In Europe, TTI has demonstrated a commitment to the KEMET product line during FY09 which has produced admirable results despite the global economic conditions. The KEMET award ensures that our distributors are recognised for performance in key areas of our business, and TTI has continued to show why they are such a valuable partner to KEMET. The company has been supportive of our broad capacitor product portfolio and has expanded its customer base through design-in efforts and supply chain expertise. We are looking forward to another strong year in FY10 with TTI."

Added Thilo Pelosato, recently announced as TTI's Product & Supplier Marketing Director, Europe, Passives & Discretes: "KEMET is one of our key manufacturing partners, constantly developing new innovative products and always scoring amongst our very top suppliers for product delivery, quality and support. We are honoured to receive this award and look forward to continuing our success together in the year to come."

About TTI, Inc.

TTI's philosophy is "Lead by Design", and the company differentiates itself by focusing on people, parts and process. TTI, Inc. is a specialty distributor of passive, interconnect, relay, switch and discrete components. The company has developed a policy in Europe of being the distributor of choice for customers and suppliers alike by introducing new product technologies from key supply partners to its customers - and by stocking broad and deep
