

Specialist Distributor of Interconnect & Passive Electronic
Components, Discrete Semiconductors, &
Electro-Mechanical Devices

January 27, 2025

**Subject: TTI, Incorporated Position Statement regarding REACH, Regulation (EC) No 1907/2006
(includes SVHC list published January 21, 2025)**

Dear Customer,

TTI, Inc. is fully aware of the requirements given by the REACH regulation and has identified its roles and obligations to the best of its knowledge.

1. TTI, Inc. is a distributor of articles and not a producer.
2. TTI, Inc. confirms that we understand our obligation under REACH in our roles either as a distributor or importer of articles.
3. TTI, Inc. has locations inside the EU. For our suppliers located within the EU we are acting as a distributor and therefore our supplier must fulfill the obligations given by REACH. For our suppliers that are located outside the EU we are partially acting as an importer with all obligations relevant to us.
4. TTI, Inc. does not intend to pre-register or register any substances as we do not sell any articles containing any substances that, to the best of our knowledge, are intended to be released at any time. Therefore pre-registration or registration is not required.
5. TTI, Inc. is in contact with all our suppliers (located inside and outside of the EU) in order to get proper information and to ensure the availability of articles in the future.
6. TTI, Inc. will monitor all further obligations with regards to Annex XIV (the "Candidate List") regarding SVHCs. We understand our obligations regarding SVHCs listed under Annex XIV.
TTI will provide all relevant Material Data Sheets (with the substance name, at a minimum) and safe handling practice (if applicable), when such information is provided to TTI by our manufacturers, for articles containing SVHCs (above the .1% weight by weight limit).
7. Contact details for REACH issues:
