

MATERIAL HANDLING

RELIABLE, QUICK TO INSTALL, INDUSTRY-PROVEN PRODUCTS

TE Connectivity (TE) offers material handling solutions for all of your electromechanical and electronic component needs. Whether designing a prototype or retrofitting an existing system, TE's reliable, quick to install, and industry-proven innovative product solutions save on system maintenance costs and downtime.

MATERIAL HANDLING

WIRE-TO-BOARD

We have a broad array of products for your wire-to-board requirements

Common Termination (CT) Connectors

2mm centerline connectors feature both crimp and IDC style interconnects with many header options

Mini CT Connectors

1.5mm centerline connectors feature both crimp and IDC style interconnects with many header options

High Performance Interconnects (HPI)

Industry standard square-peg technology in single- and dual row post headers available in various pitches and colors

AMPLIMITE D-Sub Connectors

A complete range of quality, time-tested D-subminiature connectors that have become the standard in the industry

USB Connectors ^{5G}

Universal and user-friendly, TE offers micro USB, USB 3.0, and the high-power and reversible USB Type-C solutions

SFP/SFP+ Connectors ^{5G}

SFP+ interconnects support data rates of 10 Gbps signal speeds and are backward compatible with SFP

RJ45 Connectors ^{5G}

Our broad range of modular I/O jacks and plugs offer reliable and space-saving solutions

CABLE & CABLE ASSEMBLIES

Supporting the latest standards for 10-25 Gbps and beyond. Custom solutions available.

Pluggable I/O Cable Assemblies ^{5G}

Supporting the latest high speed standards, these products are engineered for 10-25 Gbps and beyond

Bulk Cable

Specialty cables custom-engineered for precision signal integrity and harsh environments

ELCON Mini Cable Assemblies ^{5G}

These power cable assemblies come in standard or high-flex designs for easier routability

^{5G} These solutions are helping to unlock the potential of 5G. Our portfolio of 5G solutions and capabilities address key challenges faced by design engineers around the world.*

* 5G ready solutions may vary within a product family. Please refer to te.com or contact your TE sales representative for additional information.
