

14th April 2026

Dear Sir/Madam,

SCE2USB-B Obsolescence (Terrapin Micro USB)

ALTD is continuing the process of updating and improving its Product Portfolio. This process involves all aspects in terms of products, accessories, and pricing.

As Technology is changing from Micro USB to USB C we will be obsoleting the SCE2USB range with Micro USB elements.

The USB C range will continue and are distinguished with the prefix SCE2USB3

The live items are affected are

SCE2USB-B-L1T08-2BPN

SCE2USB-B-01T08-2BPN

SCE2USB-B-06T08-2ABSN

SCE2USB-B-07A08-2BPN

SCE2USB-B-76A08-2ABSN

This LTB notice and three-month purchase opportunity is the chance to discuss this with your customers and internal teams and if required the team at Amphenol. The notice period for receiving orders will expire on 31st July 2026.

Any parts not ordered by 31/07/2026 will be considered obsolete. Any RFQs received for LTB will be subject to full Commercial and Engineering checks before a quote would be issued and thus this letter is by no means a commitment to supply. Any LTB orders received will be the final production of these items and following delivery to leadtime no further orders will be accepted.

If you have any queries, questions or require any specific reports please feel free to Julia MacAskill on julia.macaskill@amphenol.co.uk

Yours sincerely

Julia MacAskill
