

1st May, 2026

Dear Sir/Madam,

PAN6432 Last Time Buy Notification

ALTD is continuing the process of updating and improving its Product Portfolio. This process involves all aspects in terms of products, accessories, and pricing.

Throughout the remainder of 2026 we will continue to consult with our customers and channel to market partners as the new strategy matures. These changes deliver an optimised offering for the popular ranges and recognition of the challenging supply chain environment for the less popular or legacy styles.

With this in mind; Amphenol LTD needs to make the difficult decision to declare the following parts are last time buys:

Description	Style
PAN6432-1AXX-XXXX	Jam Nut Receptacle
PAN6432-1BXX-XXXX	Wall Mount Receptacle
PAN6432-1FXX-XXXX	Ungrounded Plug
PAN6432-1FGXX-XXXX	Grounded Plug
PAN6432-4AXX-XXXX	Jam Nut Receptacle
PAN6432-4BXX-XXXX	Wall Mount Receptacle
PAN6432-4FXX-XXXX	Ungrounded Plug
PAN6432-4FGXX-XXXX	Grounded Plug
PAN6432-1CXX	Grommet Nut Without Strain Relief
PAN6432-1RXX	Dummy Receptacle
PAN6432-1ZXX	O Ring
PAN6432-1MA-XX	Jam Nut Receptacle Cap
PAN6432-1MB-XX	Wall Mount Receptacle Cap
PAN6432-1MFX	Plug Cap
PAN6432-1PXX	Pin Contacts
PAN6432-1SXX	Socket Contacts
PAN6432-1NXX	Seal Plugs

PAN6432-1 range covers Normal and Insert orientations.
PAN6432-4 range covers Normal & Keyway orientations.

Hermetic connectors are not part of this Last Time Buy, and the route remains as Amphenol Martec for these parts.

This LTB notice and six-month purchase opportunity is the chance to discuss this with your customers and internal teams and if required the team at Amphenol. The notice period for receiving orders will expire on 30th October 2026.

Any parts not ordered by 30/10/2026 will be considered obsolete. Any RFQs received for LTB will be subject to full Commercial and Engineering checks before a quote would be issued and thus this letter is by no means a commitment to supply. Any LTB orders received will be the final production of these items and following delivery to leadtime no further orders will be accepted

Although Amphenol LTD will cease to offer product approved to the PAN6432 Tornado Specification; non-source controlled alternate parts will still be available to order under proprietary commodity 602GB references as shown below.

Description	Amphenol Proprietary
PAN6432-1AXX-XXXX	602GB-07EXX-XXXX
PAN6432-1BXX-XXXX	602GB-00EXX-XXXX
PAN6432-1FXX-XXXX	602GB-06EXX-XXXX
PAN6432-1FGXX-XXXX	602GB-06EGXX-XXXX
PAN6432-4AXX-XXXX	602GB-07EXX-XXXX
PAN6432-4BXX-XXXX	602GB-00EXX-XXXX
PAN6432-4FXX-XXXX	602GB-06EXX-XXXX
PAN6432-4FGXX-XXXX	602GB-06EGXX-XXXX
PAN6432-1CXX	602GB-127-XX
PAN6432-1RXX	602GB-188-XX
PAN6432-1ZXX	See Page 3
PAN6432-1MA-XX	62GB-736-XX
PAN6432-1MB-XX	62GB-738-XX
PAN6432-1MFXX	602GB-149-XX
PAN6432-1PXX	M39029/4-XXX
PAN6432-1SXX	M39029/5-XXX
PAN6432-1NXX	MS27488-XX

Please note the alternative versions are available in finishes other than Cadmium with the following Suffix codes at this stage.

(416) = Electroless Nickel.

(586) = Green Zinc Cobalt.

(771) = Black Zinc Cobalt

We will be investigating offering a Black Zinc Nickel Plating to facilitate RoHS and REACH compliance.

In addition, we also have 602GB-05EGXX-XXXX – Grounded Plug with a Heavy Duty Coupling Ring.

O Rings

Description	Alternative
PAN6432-1Z08	169GB-0026-1
PAN6432-1Z10	169-187
PAN6432-1Z12	169GB-0026-2
PAN6432-1Z14	169-196-02
PAN6432-1Z16	169GB-0026-3
PAN6432-1Z18	169GB-0026-4
