Detailed data regarding the Product/Process change

Product Termination Notification (PTN)
All Aptiv Part Numbers associated with Raw Material Spec M7674R58

Description	Affected P/N		Affected P/N	
	PN	Product name	PN	Product name
		35279852	TERM M 630 PCB SN	

Change description

APTIV would like to inform you that the aforementioned part numbers associated with the Raw Material Specification will be terminated and marked as End of Life/Production as part of our portfolio streamlining initiative.

As a result of a thorough analysis of the demand picture and in alignment with our customers' needs, we are optimizing the value stream of the part numbers in scope of this PTN.

This transition will support our customers' requirements for shorter lead times and more efficient value streams. Please let us know if you require any additional information or support regarding this change.

In case there is still any remaining demand, we kindly ask you to place a final order by April 1st, 2026.
If we do not receive any feedback by this date, we will consider this as your EOL approval and proceed accordingly.

Reason:	<input type="checkbox"/> Quality improvement <input type="checkbox"/> Technical product/process improvement <input type="checkbox"/> Restart of production after one year stop <input type="checkbox"/> Manufacturing location transfer <input type="checkbox"/> Bill of matériel updating	<input checked="" type="checkbox"/> Part termination <input type="checkbox"/> Part number change <input type="checkbox"/> Capacity increase <input type="checkbox"/> Documents updating <input type="checkbox"/> Packaging box / volume
