PCN26-18 Change in packaging specifications for selected switch products from various product lines

## 1. Purpose

To upgrade the packaging specifications of select PNs from various product lines to improve quality assurance during product handling (sorting and inspection) processes at distribution hub, as well as, streamlining of delivery operations in alignment with the overall Littelfuse systems integration process.

## 2. Overview

Change of the packaging specification, please refer to appendix.

## 3. Impact of Change

There is no impact to the Fit-Form-Function (FFF) of the switches; only MDQ and/or MOQ changes are taking place.

## 4. Part references affected

Please refer to the appendix

## 5. Date of application

Last time buy date: N/A

Implementation date: 07/August/2026

## 6. Conditions of application

For any question & concerns, please feel free to contact your Sales Representative

## 7. Support

For any question, please contact your C&K sales representative.
