

**Business Unit:** HARTING Electric

PI00000199-US

**Product Range:** Han-Modular®**Date:** 03/27/2025**Title:** PCN Han M12 Crimp Metal Nut

## Details of the Product Changes

### 1. Concerned Part Numbers

09148811406, 09148811806, 09148812406, 09148812806

### 2. Description of Changes/News

The outer diameter and material of the cable gland metal nut will be modified.

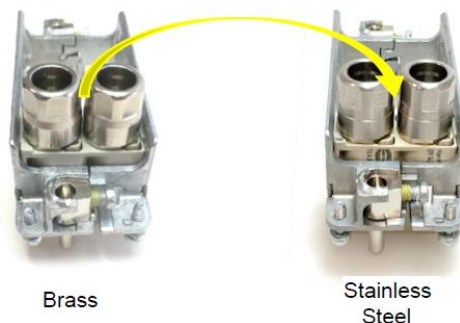

- Reduction of the nut outer diameter from 14.5 to 14.0 mm.
- Change of the material from brass, nickel plated to stainless steel without plating.

### 3. Impact on Product Specification

The change has no impact on the mechanical robustness and electrical signal transmission.

This improvement enables isolation between the two M12 connector shieldings such that there is no electrical contact. The gap between the nuts will be increased by 0.5 mm from 0.3 to 0.8 mm.

In case of questions or concerns, please do not hesitate to contact our technical support.
