2. Description of News
<p>We would like to inform you about the relocation of some items in the Han® product line as well as some manufacturing duplication to expand global manufacturing capacities.</p> <p><u>Relocation</u> For strategic reasons, we are relocating manufacturing of the above-mentioned components from Germany to Romania.</p> <p><u>Duplication</u> To further expand global manufacturing capacities and better support regional needs, we are duplicating manufacturing of the above-mentioned parts. Now, in addition to manufacturing in Germany, we will be manufacturing such parts in China.</p>
3. Implementation
<p>Both efforts are expected to be complete by July 2025. There are no impacts to technical characteristics.</p>
