HARWiN

Monday 28 September 2026

Dear Customer,

Re: Obsolescence notification for Harwin product.

Please be advised that the following product is now obsolete with immediate effect:

- M701-370442

An identical product is now available under part number **M701-370442R**. The connector is identical; the only difference is with the packaging style. M701-370442 was supplied in trays, and M701-370442**R** will be supplied in tape and reel.

The pack quantity will also be different, due to the different packaging style. This will change from 50 pieces per tray pack to 150 pieces per reel.

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Change Team
