Subject: Product Obsolescence and Last Time Buy Notice

This is to inform you that Honeywell HSS is announcing obsolescence and last time buy of the part number(s) listed below due to operational reasons. This announcement relates only to the part numbers specified below and does not represent a full discontinuation of the product lines into which the part numbers are grouped.

It is recommended that orders be placed promptly to improve the likelihood of fulfillment. Honeywell intends to fulfill all orders by no later than 31 December 2025 and reserves the right to ship products as early as they are available to be shipped to the customer even if it is earlier than the customer's requested delivery date.

Affected Part Numbers

This announcement serves as formal communication that the following product(s) will no longer be available for sale in accordance with the timeline of events shown below (or once existing stock is exhausted, whichever arrives first).

SKUs	Product Description
RDS80004-H	Rail Wheel Sensor
RDS80004-L	Rail Wheel Sensor

The following timeline pertains to all the affected SKUs. These dates are subjected to change based on availability.

WARRANTY/REMEDY

Subject to the following conditions, Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship during the applicable warranty period. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items that Honeywell, in its sole discretion, finds defective. **Notwithstanding the foregoing, in the event of a product end-of-life or obsolescence, or inability of Honeywell to manufacture or source materials or component parts for a product, for whatever reason, and/or any associated last-time buy in relation to a product (an "Obsolescence"), Honeywell shall engage in commercially reasonable efforts to repair or replace products in accordance with the terms of its standard warranty, but in no event shall it be liable if it is unable to do so due to the Obsolescence. The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for consequential, special, or indirect damages.**

Thank you for your continued partnership and apologies for any inconvenience this may cause.

If you have any questions, please contact your sales representative for Honeywell products.
