Product on Hold – Customer Notification

To whom it may concern,

This letter is to notify you that the following part numbers are currently on hold and not available for shipment:

Material	Military Part Number
-----------------	-----------------------------

21SX39-T	MS24547-1
----------	-----------

23SX39-T	MS24547-2
----------	-----------

21SX39-T2	MS24547-4
-----------	-----------

23SX59-T	MS24547-6
----------	-----------

23SX39-T2	MS24547-5
-----------	-----------

We are actively working to resume shipments and upon request we can provide an update as soon as a timeline is confirmed. In the interim, please reach out if you would like to discuss whether we have any other similar products available that may meet your demand requirements.

Thank you for your cooperation.

Sincerely,

Luis Martinez

Quality Engineering Manager
