Customer: CUSTOMER

WEINSTADT - GLOBAL

Issued by: Miles Schöckel

Dear Valued Customer. With this letter ITT Cannon informs you of the following change(s) to the respective ITT Cannon Product. In case of further questions about this change(s), please contact your local ITT Sales or Customer Service representative. Affected part, drawing and or specification numbers are listed on the attached sheet(s)

Affected Product(s) / Product Line(s):

Flange plate 066-8516-005 for APD 1-7way flange receptacle

Description of Change(s):

The flange plate 066-8516-005 with ZnCo surface (yellow chromate) will be replaced by 066-8516-006 with Fe//ZnNi(12)8//A surface according to DIN50962 (RoHs compliant).

Surface has to withstand a salt spray test acc. DIN EN ISO 9227 without base metal corrosion for 480 h.

Impact Assessment(s):

This change has no impact on the form or fit of the product.

Handling, installation, and assembly processes remain unchanged.

Due to the non-impact nature of this change, no sample inspection reports or PPAP documentation will be provided.

Last Production Date (Obsolete Parts Only):

No new orders accepted
