Dear Valued Customer. With this letter ITT Cannon informs you of the following change(s) to the respective ITT Cannon Product. In case of further questions about this change(s), please contact your local ITT Sales or Customer Service representative. Affected part, drawing and or specification numbers are listed on the attached sheet(s)

Affected Product(s) / Product Line(s):

012-8551-011 KABELTUELLE CM3 GESCHL.FKM GRUEN

Description of Change(s):

Supply of 012-8551-011 no longer possible. Part number 012-8551-011 has to be obsoleted

Reason for Change(s):

The supplier is bankrupt. Continuation of production would require new tooling. Retooling is not a commercially viable option due to extremely low demand.

Impact Assessment(s):

Please, inform your end customer(s) about termination. A replacement product is not available.

Globally there is still a number of parts on stock at Distributors – see “Stock Check” on our web site www.ittcannon.com . This may provide more time for the end customer to identify an alternative connector solution for the future.

Sincerely,

Achim Raad
