Change Notice Product EOL

PdAg termination MLCC

Dear Valued Customer,

Thank you very much for your great and continuous support for business with KYOCERA AVX. This is the official notification that PdAg termination MLCC will be proceeded as detailed below. Your understanding and support are highly appreciated.

1. EOL Product Type: PdAg termination MLCC
08053C104KA12A
2. Reasons/Background:
PdAg termination MLCC is now at a technological disadvantage to alternative devices in the capacitor industry and has seen a continual decline in demand with manufacturing cost increases that make it difficult to justify new capital investments. KYOCERA AVX believes PdAg termination has reached the end of its product lifecycle.
3. Change Schedule: Immediate implementation
4. Feedback Due: **January 1st, 2025**
Please indicate your feedback to KYOCERA AVX in writing by this feedback date.
5. Contact:
Should you have any questions or concerns, please contact your local sales or sales representatives.

Thank you.
