Dear Valued Customer,

This notice is to inform you of product obsolescence that may affect selected items that you have purchased from Littelfuse.

Description of Change:

- Littelfuse will stop the deliveries of the mounting screws shipped along with its Y2 bipolar power modules.
- Our dear valued customers shall procure all required screws and washers on their own after effective date of change.

Reason for Change:

- Littelfuse is committed to responsibly conducting its manufacturing and distribution operations to protect our employees, communities, and the environment.
- This supply stop will lower the weight of the parcels shipped all around the world thus its impact on the environment.
- Many customers using automated assembly equipment don't even use the screws delivered with the modules.

Effective date of change:

- July 15, 2026

Last time buy: N/A

This communication letter is for your information and acknowledgement.

If you have any other questions or concerns, please contact your local Littelfuse sales representative or Product Manager for further assistance.
