Subject: Discontinuation of LF Standard NGR System
Document: LFPCN_RC00107
Date Released: August, 3rd, 2026

Dear Valued Customer,

To improve our customer experience and ability to address specific application needs, we've decided to discontinue our standard NGR-System offering (Table 1- impacted parts) and provide you with a solution offering, tailored to your needs. Therefore, we would like to ask you to provide the required specification to our Tech-Support Team and we'll provide you with a solution offering.

Please contact your Littelfuse Technical Support Team
ngrquotes@littelfuse.com or relays@littelfuse.com
