Note: Orders for models with MOQ requirement can only be accepted in multiples of 100pcs

*** Production Lead time (days) :**

NRND (Not Recommended for New Design) : The lead time remains normal, but these models may be discontinued in the future phase after 6~18 months.

60 days : The lead time is 60 days. Consolidated orders with available inventory can be delivered within 60 days.

90 days : The lead time is 90 days. After receiving the order, consolidated orders will be processed within 90 days under normal conditions. If there is available inventory, early delivery is possible.

Last Buy Order (90 days) : The lead time is 90 days. For products classified as “Last Buy”, orders must meet the Minimum Order Quantity (MOQ) requirements and be shipped within 180 days after the Last Buy date. Early delivery is possible if there is available inventory. After receiving the order, consolidated orders will be processed, and the final delivery date is for 2026/12/31.

MEAN WELL group reserves the right for early delivery.
