

5/1/2026

Product Change Notice #050126

Type of Change:

☐ End of Life	☒ Material Change
☐ Facility Change	☐ Process Change
☒ Design Change	☐ Other

Part Series Affected: TAP650 Series (Full list of affected parts numbers included on next page)

Description of Change: Ohmite has changed the housing used on the TAP650 series. The resistor within the housing is the same as before, and the housing change will not change the mechanical dimensions of the part. The new specifications can be found on our website here:

<https://www.ohmite.com/assets/files/Datasheets/tap650-series.pdf>

Reason for Change: The previous housing was reaching its end of life, and Ohmite made the decision to update the housing on the TAP650 series.

Expected Influence on Quality/Reliability/Performance: The updated housing should have the same performance as the previous version.

Effective Date: 5/1/2026

Date Last Time Buy: Ohmite customers who are interested in the current housing have until 6/30/2026 to place a last time buy.

Date of Last Time Shipment: 12/31/2026

Recommended Replacement: N/A

Qualification Data: Customers who are interested in qualification data for the new housing can request it.

For further technical questions related to this PCN, please contact dchakraborty@ohmite.com.

Best Regards,

Joe Misulonas
Director of Product Management
