Dear Valued Partner,

As part of the ongoing transition of the Omron Components Business (OCB) from Omron Corporation to Aratas, we would like to inform you that cross-sales activities for Omron Industrial Automation Business (IAB) products through the OCB distribution network will be discontinued. This communication provides details of the transition timeline and the actions required to support an orderly phase-out of this business.

Our objective is to manage this change in a clear and controlled manner while maintaining continuity of supply and support for customers.

Please note the following key dates and conditions:

- The final order date for all IAB products will be **30 September 2026**.
- All deliveries must be completed by the end of FY26, on **31 March 2027**.
- Deliveries extending into FY27 will only be accepted where the confirmed lead time exceeds six months.
- From **1 October 2026**, new orders for IAB products will no longer be processed through the current cross-sales channels.

After this date, customers requiring IAB products should be directed to the appropriate approved IAB distribution partner. Distributor information can be found at the link below:

<https://industrial.omron.eu/en/contact/omron#EU>

A list of the affected Omron Industrial products is attached to this communication. Please review the information and update your systems, product records, and internal processes accordingly.

We appreciate your support in helping to ensure a smooth transition for customers.

Should you have any questions, please do not hesitate to contact us.

Kind regards,

David Liston

European Distribution Manager

OMRON Electronic Components Business will soon be Aratas

Hi Sanjay,

I hope you are doing well.

We are losing access to some Omron items. Please find the affected items attached.

I have already set these items to Lifecycle E and assigned the Last Time Buy Date.

However, could you please process the attached announcement for the affected items as a PCN and inform the relevant branches and customers?

Last Time Buy Date will be September-25-2026 due to their IT infrastructure change
(attached letter says 30-Sep)

Thank you in advance for your support.

Please don't hesitate to contact me if you have any questions.

Best regards,

Christian
