

## Product Change Notification (PCN) Notificaton of Additional Suppliers for PaPIRs PIR Motion Sensors

Date: 26.01.2026  
No.: P-2025

<b>Affected types</b>	PaPIRs - Panasonic PIR Motion Sensors
<b>Part number affected</b>	Part numbers starting with EKMC16*****, EKMC46*****, EKMC76*****, EKMC26*****, EKMB13*****, EKMB43*****, AMN3***
<b>Reason for change</b>	As part of our Business Continuity Plan (BCP), we have decided to use components and materials from additional suppliers. This initiative aims to enhance stable supply and control rising procurement costs.
<b>Changes (see next page for details)</b>	No changes to product specifications, performance, appearance, or datasheets. All alternative components and materials have been thoroughly evaluated and verified to be equivalent to existing parts.
<b>Implementation schedule</b>	Implementation will be carried out sequentially from April 2026. The timing will vary depending on the part number.
<b>Contact</b>	For further details please contact: <a href="mailto:PEWSEU_solutiondevices@eu.panasonic.com">PEWSEU_solutiondevices@eu.panasonic.com</a>

## Changes

Additional suppliers will provide alternative components and materials with equivalent specification and quality to those currently in use.

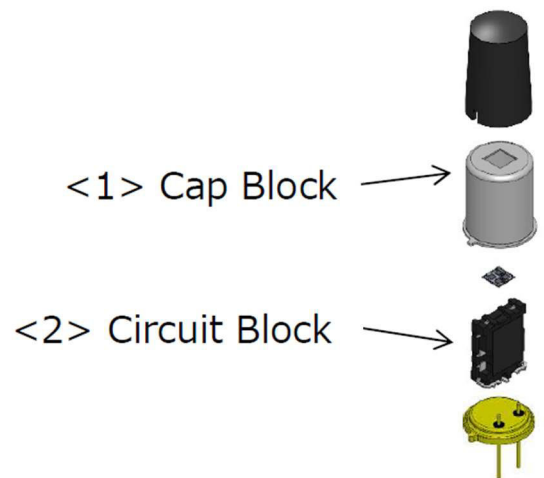

### Applicable Components and Materials:

#### <1> Cap Block

- Optical Filter
- Conductive glue
- Sealing Resin

#### <2> Circuit Block

- Sealing Resin
