## Partial Phase-Out Circuit Breakers part 2

### General

As part of our ongoing commitment to innovation and product excellence, we regularly review our product portfolio to ensure it meets the evolving needs of our customers and the market. After careful consideration, we have decided to phase out some versions out of our Circuit Breaker family.

Attached to this Sales Info - as well as in our Digital Asset Management Server DAM - you find the list of phased-out articles.

**Important note:** Only the part numbers mentioned in the attachment are being discontinued. All other part numbers within the affected product families, as well as the families themselves, will remain available in the SCHURTER portfolio.

Thank you for your continued partnership and support. Should you have any questions or require further assistance, please do not hesitate to contact your account manager or our customer service team.

### Phase-out Procedure

The designated part numbers are being sent to phase-out. Some of them with immediate effect.

For the other part numbers, we will accept orders until the specified due date.

### Activities Sales

Please inform your customers about the phase-out process.

Best regards,

Josef Schuler  
Product Management
