Partial Phase-Out Rear Covers

General

We announced to phase-out all versions of the old rear covers with sales information M1620 in September 2024. In the meantime, we revised our decision and herewith confirm that we will keep a specific selection of part numbers of the old rear cover. Phase-out applies to all other variants which can be replaced by our new rear cover type RC320.

The following part numbers of the old rear cover are still available and remain active:

P/N	Suitable for the following connectors
0859.0108	Cover to CE, EC12, KE
0859.0109	Cover to CG, KG, DF11, DF12, EF11
0859.0075	Cover to 0723, 4719

Important note: All other part numbers of the “old” rear cover, not mentioned above, are being discontinued. Please see data sheet of RC320: [link](#). A new rear cover RC320 can also be used for KEB2, KFB2 and 4797 and thus replaces p/n 0859.0075.

Activities Sales

Please inform your customers about the partial phase-out and the revision.

Best regards,

Elisabeth Gassmann
