Description of the Change:	Reversal of PCN 2025-CIR-05_DC-730 RTV replacement
Reason for the Change:	

Dear Valued Customer,

Due to a miscommunication of obsolescence, we are reversing PCN **2025-CIR-05** which called for the obsolescence of **DOWSIL 730 (DC-730) RTV** and replacement with **DOWSIL 748 (DC-748) RTV**.

The effected PNs on Sheet 2 will continue to be produced with **DOWSIL 730 (DC-730) RTV**. All changes will be reversed in our system. No parts were produced with the DC-748 and all WIP will be converted to DC-730.

I apologize for this confusion.

Thank you,
