TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

9-1616336-8 - Lower Level Component - Additional Source

Description of Changes

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about the addition of source of supply for this lower-level component. The addition is executed by following a strict procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. This will be verified with a FAI to ensure compliance to the control drawing. The new manufacturing location is under a certified quality management system according to standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.

Reason for Changes:

PN 9-1616336-8 is current being supplied by NSK Industries INC using a Sub-tier manufacturer. Due to a lengthy lead time, NSK Industries will utilize a different sub-tier manufacturer to manufacture these components.
