TE Connectivity

Product Change Notification: P-26-030879

PCN Date: 24-JUL-26

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Plug Housing, 1 Posn Sealed, M

Description of Changes
We would like to inform you about housing subcomponent manufacturing location change, from an Outside Vendor to TE Empalme. The change has no impact to form-fit-function. The assembly of the finished good is already performed at TE Empalme; this change reflects the insourcing of the component mold to the same facility. No impact on the location of saleable parts.

Reason for Changes:
Product improvement.This is to maintan the Supply chain out of risk, due to Capacity Constraints with current supplier. The transfer will be executed via a strict transfer procedure to assure no negative influence on quality, delivery and form-fit-function of the concerned products. This TE site are under a certified quality system according to industry standards. An internal release based on TE specifications will be executed before any parts are delivered.
