Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Suzhou plant new duplication tooling 11-2001020 for Nano MQS Terminal 1-2437287-1 & 1-2291853-1

Description of Changes

For China local customer requirement Nano MQS terminal, the new duplication production tool(11-2001020) in TE Suzhou plant for production to support only AP market. For this new duplication production tool, it will shorten the L/T of delivery time and offer good service for AP market. Suzhou plant production capability increase.

Reason for Changes:

Customer Request.We would like to inform you with this PCN about introducing a new duplication production tool at our TE manufacturing location in Suzhou. China. The evaluation of new tool is executed by following A strict procedure. Which guarantees no negative influence on quality , ability to supply and form-fit-function of the concerned products. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN
