TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
2POS,1.2X0.6,TAB HSG ASSY,SLD Additional Manufacturing Location

General Description of Changes
The Industrial and Commercial Transportation business unit of TE Connectivity is adding manufacturing and assembly operations for the listed part number 2292937 from TE factory located in Mexico to TE factory located in China. We are also making a material change to the secondary lock for part numbers listed below. An internal release based on TE Connectivity specifications will be executed before any parts will be delivered, which guarantees the performance. These PNs are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days (or per contract with TE) of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request.

Reason for Changes:
Dear Customer, we hereby inform you of the manufacturing location addition because we are expanding operations to our TE Plant in China to meet customer demand and will be phased in gradually. IMPORTANT: Product from the new supplier are the same as the current supplier and does not impact product performance. Shipments from current and new supplier may be mixed.
