Agreement: TTI001

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

CORCOM M-SERIES POWER ENTRY MODULE

General Description of Changes

Due to ongoing portfolio optimization activities within TE Connectivity, the affected part numbers are being discontinued. A Last Time Buy opportunity is being offered for these products. After this period, the products will be designated as obsolete, and no further production or shipments will be supported. This action is part of a broader initiative to streamline the product portfolio and align with current business and market requirements. Please review any replacement parts as they may not be form/fit/function equivalents

Reason for Changes:

TE Connectivity continuously evaluates its product portfolio to ensure long-term sustainability and alignment with customer demand and technology direction. As a result of this evaluation, the impacted products are being phased out as part of Active Portfolio Optimization.
