TE Connectivity

Product Change Notification: PCN-26-283220

PCN Date: 23-JUN-26

Customer: TTI Inc (1305175)

Location: Maisach-gernlinden

Agreement: TTI001

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)
 0G30, 1195, PRE-INSULATED SEALED SPLICE 22-16, 16-14 & 12-10

General Description of Changes
 This notice informs you; 1) Dropping of UL Listing from product range that contains six TE Connectivity parts. 2)Due to an enforced change by a vendor to a raw material, TE Connectivity is reformulating the adhesive used in the heat-shrink tubing used to make Crimp Splices & Terminals.

Reason for Changes:
 Part status change. TE Connectivity has made the strategic decision to exit UL listing at this time due to extended approval timelines and no clear path to completion, causing disruption. This decision is purely strategic with no change to product quality, fit, form, or function. Product improvement. The adhesive in dual-wall tubing will be reformulated due to a discontinued raw material, following change procedures to ensure safety, quality, and compliance.
