TE Connectivity

Product Change Notification: PCN-26-288814

PCN Date: 26-AUG-26

Customer: TTI Inc (1305175)

Location: Maisach-gernlinden

Agreement: TTI001

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

Product Description: (Text limited to 120 characters)

AMPMODU CONNECTORS

General Description of Changes

The listed part numbers are being discontinued. A last time buy opportunity is provided per the dates stated. Please note that new conditions may apply, please contact your local customer sales representative for a quotation. Dear Customer, TE Connectivity informs customers that the part numbers listed in this notification will be discontinued and transitioned to obsolete status. TE recognizes the potential impact of this change and is committed to supporting customers through this transition. Where applicable, last-time-buy opportunities may be offered, and alternative products may be available. Customers may reach out to consult available inventories at TE for first come first serve disposal and only until stock lasts. In this particularly case, please intensively review the LAST TIME ORDER date below and place any order or demands prior to the end of this date or in parallel shift any demands to the applicable replacement parts if necessary. Please reach out your TE sales representative for more detailed for further information on available replacement parts. Customers are advised that revised commercial conditions, including minimum order quantities and lead times, may apply. For additional information, including availability, timelines, and potential replacement solutions, please contact your local TE Connectivity sales representative.
