PCN Number	BED.PCN-93
PCN Title	EOL for Semelab RF parts housed in an SO8A package.
PCN Date	6th October 2026
Type of Change	End of Life Notification
Manufacturing Location(s) Affected	Bedlington
Date of Change Implementation	6th October 2026

Change Detail	
Description of Change	Product Obsolescence.
Reason for Change	The package supplier has informed us that they are no longer able to manufacture the packaging used for these products due to the critical raw material no longer being manufactured. Consequently, these products will be discontinued and declared end of life. For affected products see Appendix A.
Implementation Plan	New Orders will be managed with immediate effect. There is no residual stock available to manufacture these part numbers. Therefore, no last time purchase is available.
Recommendations	Existing customers should contact TT sales to discuss potential requirements.
Availability of Previously Manufactured Product	Some small quantities of residual finished stock are available at the date of this PCN. Please check with customer services for latest position.
Availability of Approval Samples	Not Applicable.
Customer Services / Sales Contacts	For quotes: pamela.germaney@ttelectronics.com For order updates: helen.davies@ttelectronics.com
