Resistors Product Change Notification

PCN Number	PCN-2026-RBU10 ULR
PCN Title	**Datasheet Update – ULR series**
PCN Date	9th October 2026
Type of Change	☐ End of Life Notification ☐ Manufacturing Facility Change or Addition ☐ Datasheet Specification Change ☒ Other: **Packing Quantity** ☐ Material Change ☐ Process Change ☐ Design Change
Manufacturing Location(s) Affected	TT Electronics Bedlington
Date of Change Implementation	**9th October 2026 – Any new order**

Products Affected

TT Series	Datasheet Link
ULR Family	https://www.ttelectronics.com/TTElectronics/media/ProductFiles/Datasheet/ULR.pdf

Change Detail

Description of Change

The reel size for the green underside at values ≥R0005 (0.5mΩ) has changed from 2k to 4k reel – see appendix for detail.

Reason for Change

Improve process efficiency and reduce packaging waste

Implementation Plan

N/A

Customer Impact

Some part numbers will need to change from the T2 to the T4 suffix:

Part Numbers Commencing....	Scope of Part Numbers Changing Packing Suffix from T2 to T4
ULR1-, ULRB1 & ULRB2	Not affected by this change
ULR2-	Only values ≥R0065 (6.5mΩ) are affected by this change
All other MPNs commencing ULR	Only values ≥R0005 (0.5mΩ) are affected by this change

Recommendations

Update MPNs affected by this change. See appendix for detail

Availability of Previously Manufactured Product

Not available

Availability of Approval Samples

Not applicable: products have not changed so no re-approval required.

Hi,

In addition to the PCN which I recently sent to your PCN inbox, I have amended the part numbers on the affected quotes. Furthermore, we changed two part numbers on the Schneider SPL X1428 (ULR25-R0045FT4 & ULR2-R008FT4). Please find all affected documents attached. I kindly ask you to inform the affected branches.

20123060/180 -> 20123060/290

ULR3-R002FT2 -> ULR3-R002FT4

Customer: GPV

20120575/10 -> 20120575/20

ULR25-R0045FT2 -> ULR25-R0045FT4

Customer: Schneider

20120361/130 -> 20120361/260

ULR2-R0065JT2 -> ULR2-R0065JT4

Customer: Eaton

20119075/10 -> 20119075/20

ULR25-R004FT2 -> ULR25-R004FT4

Customer: Connect Group

End-customer: AB Vilma

X1428 - Schneider

ULR25-R0045FT2 -> ULR25-R0045FT4

ULR2-R008FT2 -> ULR2-R008FT4

Thank you.

Kind Regards
