Description of Change: We are qualifying our Czech Republic site as an alternative plant for LPS1100 to add capacity and flexibility

Reason for Change: As part of the evolution of our industrial organization, we are qualifying our Czech Republic site—already producing LPS300, LPS600, and LPS800—as an alternative manufacturing location for LPS1100. This initiative is intended to establish additional industrial capability (and, where relevant, dual-sourcing). It will increase available capacity, improve flexibility to manage volume fluctuations, and reinforce supply chain resilience to ensure continuity of service for our customers.

Expected Influence on Quality/Reliability/Performance: No influence on the product

Part Numbers/Series/Families Affected: Please see materials list on the succeeding page.

Vishay Brand(S): Vishay Sfernice

Time Schedule:

Start Shipment Date: Thursday October 1, 2026

Sample Availability: 10/01/2026

Product Identification: LPS1100*

Qualification Data: Report available on request

Issued By: Michael Ott, michael.ott@vishay.com
