Description of Change: Vishay Semiconductors announces the discontinuation of the ESD protection Diode VBUS03B1-SD0 in CLP0603 package. The discontinuation is driven by product portfolio consolidation efforts to reduce portfolio complexity and consolidate overlapping product offerings. The recommended direct drop-in replacement is VBUS05B1-SD0. Both are manufactured from the same wafer and therefore provide identical electrical characteristics and performance.

Reason for Change: Portfolio Consolidation

Expected Influence on Quality/Reliability/Performance: N/A

Part Numbers/Series/Families Affected: VBUS03B1-SD0-G4-08

Vishay Brand(S): Vishay Semiconductors

Time Schedule:

Last Time Buy Date: Saturday March 13, 2027

Last Time Ship Date: Thursday September 9, 2027

Sample Availability: N/A

Product Identification: N/A

Qualification Data: N/A

This PTN is considered approved, without further notification, unless we receive specific customer concerns before Wednesday March 10, 2027 or as specified by contract.
