Description of Change: By submitting this notice Vishay is announcing that the products listed herein have reached their end of life and activities have started to cease production in the coming months. Final orders can only be accepted on or before the last order date and are subject to the availability. Early ordering is strongly recommended.

Reason for Change: As part of our ongoing manufacturing optimization efforts, we evaluated the possibility of transferring production of our SOIC-8 dual channel optocouplers to our subcontractor. Unfortunately, the manufacturing process and product-specific requirements do not allow a sustainable transfer of all part numbers.
